Subject: STIP Lynn Canal Highway Project

My wife and I support the Lynn Canal Highway project in the STIP. My wife is a lifelong resident of Juneau and I have lived here for over 30 years.

The issue of a Lynn Canal Highway project has been bantered around for the last 17 years. One EIS after another after another after another.

Please provide full funding for the Lynn Canal Highway project in the STIP.

Delays and continued sidestepping of this issue are no longer an acceptable alternative. Build the road PLEASE.

Thank you,

Richard and Margie Garrison
